

If you do not already have a PowerSchool account, you can set one up by following these steps:

1. Navigate to the Bruning-Davenport Public Schools PowerSchool login page: <https://bruningdavenport.nebps.org/public/home.html>
2. Click on Create Account Tab
3. Enter your name and email address along with your preferred username and password
4. Enter your student's full name and the AccessID and Password provided. **I added this but didn't know if you provide this for parents or not.**
