Bruning Davenport School News

April 2024—Mr. Kelly Lampe, Superintendent

“Successful positive teams with positive employees and cultures are created through a set of principles, processes and habits that are ingrained into each team member”

John Gordon

April Board Meeting Discussed Property and Casualty Insurance concerns. Looking at secondary options.

Presented Winter test data results.

Discussed after school program.

Update on Daycare financial concerns.

Approved Classified pay raise.

Approved Full Insurance coverage to 9-month employees.

Approved pay to classified staff if a regularly scheduled school day is cancelled.

Approve Eric Small as Athletic Director – High School Girls Basketball – 2-8 Elementary PE.

Other News We have verbal commitments for some of our openings. Names will be released upon approval at the next board meeting.

Received \$2000 to apply to our camera card key safety project this summer. Thayer County Economic Development graciously wrote the application.

The Feasibility studies are close to being done. We should be able to have presentations at the next board meeting.

If anyone knows of possible housing for new teachers please call the District Office.

Both the High School and Junior High labs are being updated.

July 14 is the Davenport Alumni Banquet. If anyone in the community would have historical artifacts related to the school, the Davenport Alumni Committee would very much like to display them at the banquet. Again, call the office if you can help.

Data Central The testing measurement tool we use is called MAPS. Maps = Measure of Academic Progress. This test allows us to see where we rank with other schools as well as measure individual improvement from fall to winter to spring to fall. We will eventually build a database to track progress during a student's academic career. Below is our percentile rank among other Nebraska Schools.

FROM THE PRINCIPAL: Nelson Mandela once said, “It always seems impossible until it’s done.” The 2023-24 school year may have seemed impossible at the beginning with all of the changes and the unknowns, but together we have succeeded!

As we reflect on this year, it has been an exciting one for all of us. We have learned and experienced so much, both wonderful and tragic, throughout the year that will long remain with us in the years to come. The strength our communities and school have shown through it all is admirable. It makes me proud to be part of such an amazing school district.

This is also the time of the year that we have to say good-bye. We wish the graduates good luck as they pursue their future endeavors! It has been an honor and privilege to teach and help guide you through the years. We also say good-bye to Mrs. Stewart as she is retiring. We wish you the best!

I hope and pray everyone enjoys these last few weeks of school and a fantastic summer!

Ruth Kowalski, PreK-1st and High School Principal

FROM THE PRINCIPAL: Well here we are, the end of the school year is upon us. As the weather has gotten warmer, I know the kids are ready for a break!

The month of April sure was a busy one.

Eva Oltmans, Macin Kowalski, and Brooklyn Philippi participated in the Eastern Nebraska School Speech Contest.

Junior High Track was off and running at the beginning of the month and their season was all wrapped up by the end of the month. 5 track meets over the course of one month is a lot to undertake. The athletes worked hard at practice to get better and better. Maybe some time in their track career, they'll get one non-windy meet...

The 6th graders finally got to go to Deshler for Animals Inside and Out put on by the Nebraska Extension Office. It was previously cancelled due to icy weather.

Some of the 3rd and 4th graders also got to finally compete in their Reading Rally. They competed against Meridian and Thayer Central, as all 3 schools were unable to make it to Beatrice on the competition day due to bad road conditions.

After months of practice, the elementary really sailed away with a terrific spring concert. The kids put a lot of hard work into the musical production and it showed during the performance.

The middle school has also been hard at work preparing for their concert. They always do a great job as well.

As is the norm, this time of the year, the Davenport building has been busy with MAPS and NSCAS Testing. I appreciate how hard the students work on these tests.

As we approach the end of the school year, it is easy for kids to "check out", so please remind them to continue to put their best foot forward both inside and outside of the classroom until we are officially done with school! **JJ Wagner, 2-8th Grade Principal**

Counselor's Corner: We had some much-needed rain this month and plants are beginning to bloom! Our focus in K-8 is on "planting kindness". We have continued with our SEL curriculum and hopefully you are seeing some skills being taught and shared with you at home! With this, we are still working on understanding and managing emotions, setting and achieving goals, feeling and showing empathy for others, establishing and maintaining positive relationships, and making responsible decisions. The Sophomores took their PreAct this month and will find out their scores soon! The Juniors have taken their final Statewide/District test, the ACT, and they did very well! Our Seniors are counting down the days and are working diligently on scholarships, some already being awarded! Finishing up our last few weeks, we will continue to focus on "planting kindness" to others and being especially kind to ourselves! Thank you for supporting our students and staff! We appreciate you!

Since April is Child Abuse Prevention Month I am including our local Child Advocacy Center information. Abuse is Preventable!! BraveBe Child Advocacy Center in Lincoln with satellites through York. <https://www.bravebe.org/>

FFA Update: We kicked off this month by attending the FFA state convention. The Environment and Natural Resource team was 10th overall, the Agriculture Sales team ended up 19th, and the Food Science team placed 13th. The junior high quiz bowl team of Collin Shoenholz, Eva Oltmans, Colt Crockett, and Blake Miller competed and made it to the semi final round of their division. Emma Hoins competed in discovery speaking and received a silver medal. Riggins Ozenbaugh also competed in the People in Agriculture contest and received a gold rating. Six seniors received their state degrees: Isaiah Eickmann, Wyatt Ozenbaugh, Tanner Bolte, Jaron Norder, Landon Gardner, and Gatlin Hinrichs. The FFA state degree is the highest degree achievable from the Nebraska FFA association. We are very proud of all of our members' accomplishments. During the convention, members also attended many sessions with guest speakers, leadership workshops, and tours. We had many members attend a national officer assembly where they learned the importance of teamwork in leadership. The chapter was also recognized for participating in the Connecting Chapters program through the Nebraska Farm Bureau. **BD FFA Reporter Peyton Domeier**

EASTERN NEBRASKA SCHOOLS SPEECH CONTEST: Local students from Bruning - Davenport Middle School recently had the opportunity to demonstrate their public speaking skills and take pride in personal accomplishments. On March 27, 2024, students took part in the Eastern Nebraska School Speech Contest sponsored by Bruning Bank. Students competing in this year's contest shared their presentations on the topic *An Invention That Has Improved the Quality of Life*.

This year's winners in the 6th grade class were:

- 1st place Brooklyn Philippi
- 2nd place Macin Kowalski
- 3rd place Carter Voss

In the 7th grade class, the following students were chosen as this year's winners.

- 1st place Kyler Koch
- 2nd place Rylan Trapp
- 3rd place Aliviah Barney

In the 8th grade class the following students were chosen as this year's winners.

- 1st place Eva Oltmans
- 2nd place Emma Hoins
- 3rd place Natalie Linscomb

Each winner received a plaque and their names will be engraved on the school's speech contest plaque. The following students were chosen to represent Bruning - Davenport at the Eastern Nebraska Schools District Speech competition to be held at the Majestic Theatre in Hebron on April 15, 2024.

- Eva Oltmans
- Macin Kowalski
- Brooklyn Philippi

A big thank you to all the students who put in so much time to create such a great event. Rick Ault, Middle School English

What's Happening @ Your Libraries The book fair is wrapping up as I write this today. It was extremely successful due to all of you who patronized the fair during the week. Thank you, all! Our 8th graders helped set it up and we had some 7th and 8th grade help take it down. I'm so proud of the way they worked together to present our fair! They did a marvelous job! A big thank you goes out to Ms. Reinch for the use of her classroom, Mrs. Catlett, Andi, Erika, and Barb for their help. Thank you also to Mr. Wagner & Mr. Lampe for their support of our efforts as well.

Our reading mosaic in the hall in Davenport is getting closer to completion. Everyone is making that final push to make their final goals for the year and stickers are continuing to fill up squares!

Some end of the year thoughts...

Please make sure your family has returned all library books by May 3rd. If someone in your family needs a book for A.R. or a class, send your child to his/her librarian to have that conversation. We are more than happy to accommodate that! If any books are checked out after that date, they should stay at school so they are easily returned. Any items not returned after May 8 will be billed to your family. That bill must be paid or the item must be returned before your student is allowed to check out of school for the summer. If you have questions, please call Mrs. Dolnicek 364-2225.

As the computers/technology teacher, Mrs. Dolnicek would like to remind your 5th-12th graders that they must have their charger, laptop, and bag (5th -8th grades) at school on/before May 14th so these items can be assessed for being in working order/needing repairs. Your student must have all of these items turned in in order to be allowed to check out of school for the summer. Please call her if you have questions or if your child has lost one of these items so she can advise you of replacement costs that will need to be paid.

Studies and articles continue to be published about the negative impacts of phones, social media, screen time, etc. Our country is seeing the mental health of kids and adults worsen because limits on screen time and social media aren't being monitored. One way to help all of us disengage from technology in general for a while is to pick up a good book! Not only might you learn something new or escape from life for a bit, but you also help prevent the "summer slide" of forgetting what was learned during this school year. Sounds like a big win on both counts! Some families made purchases at the book fair to prepare for summer. Don't forget those summer reading programs at the local public libraries! They're generally free and lots of fun! Happy beach reading while enjoying your summer!

Mrs. Hinrichs and Mrs. Dolnicek, library

PIZZA HUT REWARDS PROGRAM: Kindergarten and first grade students had the opportunity to participate in the Pizza Hut BookIt reading program. Teachers can set a monthly reading goal for their classes. If they meet the monthly goal, they earn a pizza certificate for that month. Students were asked to complete 5 months out of the 6 in order to earn a pizza party. These kids travelled to the York Pizza Hut on April 10th, where they enjoyed a personal pan pizza, cinnamon sticks, and a small drink!

HIGH SCHOOL SPEECH SEASON: Competitive speech is not for the faint of heart. We are blessed to have the best group of students make up our team. The effort and work they have put into this season is beyond measure. It takes dedication and sacrifice to give up your Saturdays to perform. It takes perseverance to continue despite being critiqued harshly. It takes resilience, to give your all and keep going, even after you fall short. We are so honored to have these hardworking students comprise our team. We are so proud of everything they have accomplished this season.

The Bruning Davenport speech team competed in seven speech meets this season. Our novice performers did exceptionally well at the Thayer Central meet on January 20th. Peggy Sue Galaway took 1st in novice Program of Oral Interpretation (POI), and our team of Kennedy Barney, Brodrick Dunn, Grady Holtzen, LeTrell Houser, and Cynthia Ozenbaugh took 5th in novice Oral Interpretation of Drama (OID). The next weekend, January 27th, the team headed to MUDECAS in Humbolt, where Addison Brase took 2nd in Entertainment Speaking. She also took 2nd in varsity Entertainment Speaking the following week, February 3rd, at the Aurora Speech meet. The novice performers also did well at Aurora. Peggy Sue Galaway took 1st in novice (POI), and our OID team took 3rd place. On February 17th, the team headed to Sutton for their speech invite. Addison Brase took 6th in Entertainment Speaking at this event. On Wednesday, February 21st, we headed to Hampton, for the Crossroads Conference Speech meet. Most of the team was feeling under the weather, but each of them showed up, and did their best. Our Conference has fierce competitors, but our team hung in there with them. We only had one event medal; Addison Brase placed 6th in Entertainment Speaking. That Saturday, February 24th, we headed to McCool Junction for the Dunsmoor Classic meet. Lexi Enghauser and Karolyn Ozenbaugh placed 8th in Duet Acting while Maia Oltmans placed 7th in Entertainment Speaking. Finally, on Tuesday, March 12th, we headed to Lincoln to compete for Districts.

We proudly boast that the Bruning-Davenport Speech team had an excellent showing at the D2-1 District meet at Lincoln Southwest High School. Every event, we took, placed, and received a medal. We also took 3rd place in team sweeps for D2. In addition, out of 3 Districts including A2 and C2-1, we placed 10th overall. Individual awards include Lexi Enghauser and Karolyn Ozenbaugh who took 2nd in Duet Acting and punched their ticket to State in Kearney, March 22nd. In addition, Karolyn Ozenbaugh placed 5th in Persuasive Speaking, Addison Brase placed 4th in Entertainment Speaking, Maia Oltmans placed 5th in Entertainment Speaking, Laury Koch placed 4th in Informative Speaking, Peggy Sue Galaway placed 4th in POI, and the OID Team placed 4th. At State, Lexi Enghauser and Karolyn Ozenbaugh performed their Duet three times for judges and gained irreplaceable experience. We are so proud of them for all their hard work this season.

We look forward to the success the entire team will achieve next year.
