To be the best small school in the State

FROM THE PRINCIPAL: Last month I wrote about the excellence of our school district. For the last several years, Bruning-Davenport USD has excelled in academics and activities, but now I would like to turn it to a more personal, individual perspective. How do we nurture and grow each of our students and/or child's self-esteem? How do we help our children to strive for excellence throughout their lives, without pressuring them too much? Jennifer McDaniel, an English teacher and author of *Eyes on Culture (2017)* states:

High expectations can be germinated and nurtured in a variety of places: home, school, peers, and self. We know that true self-esteem comes not from pats on the back and generic praise but grows when a person is challenged beyond her natural limits and experiences success...failure is often the best teacher because it fosters resilience, but we must provide the guidance and encouragement for students to be willing to try again.

We are a community, a family. Each student at Bruning-Davenport is an important individual, and each of them need our help and support to become the most successful, excellent versions of themselves. We need to let them try, and sometimes even fail, but then be there to help them learn from those failures, whether it be in class or out on the basketball court. Together we can create a culture in which students feel confident to get out of their comfort zone to try hard things, because even if they do not succeed, they know we will be here to support them. Let us help each and every student know how excellent they can be!

Ruth Kowalski, Bruning Building Principal

FROM THE PRINCIPAL: Well last year February treated us much better weather wise than January and sure enough this year Mother Nature decided to switch it up on us. At least we got 1 good week to finish out. Guess we'll have to see if March comes in like a lion and out like a lamb or vice versa...

The Elementary and JH students received their NSCAS/MAPS Testing Awards this month. The students did great! I always enjoy seeing their faces light up when they find out they did a great job!

The Elementary and JH Quiz Bowl Teams are busy competing in various competitions. Mr. Ault has stated that he is looking forward to watching them grow and compete not only this year but in the future.

I loved to see all the creativity that went into everyone's Valentine's Day boxes. They were way better than anything I've ever made.

The 4th Grade had the opportunity to visit the State Capitol in Lincoln. What a great trip to help tie together some things from their Nebraska History class.

Just a reminder to make sure your students are coming to school properly dressed for the weather!

JJ Wagner Davenport Building Principal

3RD GRADE: On February 5, Rachel and Jenna from the Thayer County Extension office visited to teach students about different areas of agriculture. They taught 4th grade about different crops that grow in Nebraska, what plants need to germinate, and students planted their own gardens in a glove. They each planted a corn seed, soybean, wheat seeds, and pin-to beans to observe how long it takes each seed to germinate.

FCCLA: February was a busy month for the FCCLA chapter. **STAR EVENTS:** FCCLA competitive events were held in Geneva, NE and Brodrick Dunn and Maia Oltmans both qualified for state.

*Brodrick presented, Talkin' Snack - in the Early Childhood competition. His group has been working on providing snacks for the daycare and learning about food insecurity and food choices of children. The project is funded through the Blue Cross Blue Shield grant, the daycare, and FCCLA.

*Public Policy Advocate was the event for Maia Oltmans. She selected, "Free School Lunch for all," as her topic. Maia continues to research and collect information on making this happen, at Bruning Davenport. In addition, Shawn Sunday will be competing in knife skills and Kennedy Barney and CJ Ozenbaugh will be creating a display for community service projects at FCCLA State Leadership Convention.

FCCLA WEEK: FCCLA had great plans for the week, but the weather put a halt to some of it. In addition to locker treats and donuts for students and staff, the art class made Valentine cards and the FCCLA delivered the cards and treats to the assisted living, in Hebron.

The students would agree, the best part of the week was the pie in the face contest. FCCLA collected donations/votes for the teacher who would get the pie in the face. When money was tallied, Mr. Boshart was the winner! The students were even treated to pie, for lunch! Thanks, Amanda!

All together, the FCCLA raised over \$750 for World Community Kitchen. This non-profit was highlighted in the entrepreneurship article, last month. **Thanks to Mr. Boshart, for being such a good sport!**

What's Happening @ Your Library: The library in Davenport's building showed their love for libraries & reading during February, which was Love Your Library month. For each book read, a sticker was added to a gridded mosaic design on our hall bulletin board.

Some of our elementary students are preparing for the annual Reading Rally held at ESU #5 in Beatrice during the morning of March 10. Participating students are in teams of 4-5 & need to have all 30 books read by at least one member on the team, which averages out to be 6-8 books per person. The Nebraska Golden Sower nominees, which are read aloud during library class, make up about 1/3 of the total books needed to be read. The rest of the books are chapter books of various lengths. Competition day will be like a quiz bowl against other schools in our ESU about all the books on the list, with the answers being the titles of the books. Students get to work as a team to get as many of the answers right as they can. We encourage our students to keep reading & wish them good luck on March 10!

Middle School Robotics: Some of our 6th-8th grade students are getting ready for the ESU #5 Robotics Competition that will be held on March 12th. They're practicing their 21st century skills of computational thinking, communication, collaboration, & creativity while coding their robots to perform various skills via a game remote controller. The robots have robotic arms run by servo motors that will stack blocks in prescribed formations on competition day. And, of course, the day won't be complete without our tradition of battle bots using the robot "brain" attached to an RC car run by the game remote controller! It should be a fun-filled day on March 12!

MEET A SENIOR

MAIA OLTMANS is the daughter of Aaron & Jessica Oltmans. She has two sisters, Paige and Eva and one brother, Chase. Maia is active in Golf, Basketball, Track & Field, One-Act, Speech, NHS, Letter Club, FCCLA, Quiz Bowl and Band. She is involved with Christ Lutheran Church Youth Group. Maia likes to hang out with friends and family and enjoys reading in her spare time. She plans to attend college and major in Accounting. Her favorite food is steak, her favorite TV show is Criminal Minds, her favorite song is *Basket Case* by Green Day and her favorite place to go to be alone is her house. The most influential person in her life has been her Dad. "I've always looked up to him and he's helped to make me into the person I am today" says Maia.

WYATT HOLTZEN is the son of Trisha Holtzen and Mark Holtzen. He has one brother Grady and one sister Scarlett. He is active in Basketball, Track, FFA, and Letter Club at Bruning-Davenport. He is also involved with his Church's Youth group. In his spare time Wyatt likes to play baseball, hunt and play video games. His favorite food is steak and potatoes, his favorite TV show is Seinfeld, his favorite song is *One of Wun* by Gunna, and his favorite place to go to be alone is his room. The most influential person in his life has been his Dad. "He's taught me everything I need to know in life, how to drive, how to ride a bike, and the best of all is that he has taught me about sports" says Wyatt. He would also like people to know that he played travel baseball for four years and won state in Nebraska for it. He also made it to state track two years in a row.

FFA Update: While February is off to a cold start, the Bruning Davenport FFA chapter has been staying warm with significant activities and events! At the beginning of the month, state officer, Alexa Tollman, visited our chapter and talked with each individual class about the true meaning of sportsmanship along with completing different activities. Moving forward on into the month, Wyatt Holtzen, Natalio Diaz-McCall, Toby Voss, Brayden Gardner, Paxton Cox, Taylor McBride, and Broderick Dunn all attended a welding contest in York and placed sixth overall. On the fifteenth, seven of our officers had the opportunity to attend the Thayer County Feeders Banquet, where they enjoyed a delicious meal and entertainment provided by Gale Beckwar. It was a fantastic night, and we deeply appreciate Dan Domeier and Neal Voss for sponsoring our table! Our chapter has been celebrating National FFA Week with a fun lineup of themes, including Hat Day, Red vs. Green Day, Chapter T-shirt Day, Dress Like Your Favorite Teacher Day, and Blue and Gold Day. While the weather has had a mind of its own, our chapter has rescheduled some of our favorite National FFA Week activities, so stay tuned! As we approach the busy, last week of February, our chapter is preparing for both District Welding and CDEs (Career Development Events). Best of luck to all of our members competing!

Addison Brase, BD FFA Report

Hello March! In K-7 Guidance, we continue with the Second Step Program and the students have been doing well completing Home Links and being involved in the program.

In 8th Grade we have completed a My Encourage setup and this tool will help with career and college explorations with lessons being taught to them to get ready for high school! The 5th-8th graders will be involved in the Thayer County Health Fair on 3/18 in Davenport.

Many 9-12th graders qualify to attend the Actions Day at CCC in Hastings on 3/19! So much fun!

The Juniors took the ASVAB on 2/13 which help them understand what they need to work on for the ACT. We will meet with a Recruiter on 2/26 that will help them with Career Exploration and Interpretation. The Juniors will take the ACT at school on 3/25, a letter will be sent out to parents soon!

Some Seniors are still working on the FAFSA and many scholarships are still being sent to them.

Many exciting events this March and we are ready for Spring! Thank you for supporting our students and teachers. **Ms. Reinsch**

MARCH GOALS

Dream big and stay humble

Work hard and take breaks

Be kind but have boundary

Challenge yourself but know your limits

Care for others and also yourself
