BOLTS: "Building Outstanding Leaders for Tomorrow's Society"

FROM THE SUPERINTENDENT:

Bruning Davenport School News November 2024

"Loyalty means nothing unless it has at its heart
 the absolute principle of self-sacrifice."
 Woodrow Wilson

Celebrations – Birthdays

Britany – Barb – Morgan - Connor

November Daycare Meeting

We have not had the December Daycare Committee meeting yet.
 I do have the balance sheet and this is three months in a row with a positive balance.

Positive balance on financial spreadsheet.

October	\$1815.00
September	\$2340.00
August	\$4388.00

November Board Meeting

President Baysinger stated that the Buildings-Grounds Committee will meet soon to further look into the new building feasibility study.

Presented unofficial board election results. The elected board members will be announced when they become official.

Stated health and dental premiums will go up 5.5% for the 25-26 school year.

Discussed the reconfiguration of schools survey data from the certified staff.

Discussed the placement of cameras in each classroom.

Approved BOE policy 3012 update, stating that after accumulating 10 unpaid for meals, an alternative meal will be served.

Approved BOE policy 5045 update, eliminating technology convenience fee, which allowed students to take home their tech device. All students will now be allowed to take their device home. Students will still be charged for any damages to their device.

Approved BOE policy 5004 update, defining our elementary school as K-4, our middle as 5-8, and our high school as 9-12 for coding purposes with the State of Nebraska.

Other News

Prayers and blessings for the Jim Manes and Dean Dirks families. Jim was a board member and coach and Dean was a maintenance-custodian-bus driver for the Bruning Davenport Unified School District.

Staff members, please check the listed Committee's to make sure they are correct, as to who are the committee members.

\$12,000	Privacy fence West of the Bruning building.
?	Playground fence at Bruning.
?	Possible electric grid in both buildings.
?	Upgrade middle school science lab – Davenport.
?	Upgrade LED lighting in both buildings.

Goal:

To be the best small school in the State

FROM THE PRINCIPAL: In my last monthly newsletter, I talked about it being a time to be thankful. While I still believe this to be true, there is no denying our school district has not experienced some great losses in this last month. Dean and Jim will be greatly missed by all of us, leaving with us memories of great strength and humor. I will be the first to admit that it is days like this that remind me to look around and take it all in. I believe that these are the times we truly show that we are family, a school family. Through our sadness, we can lean on one another and work through our grief together.

As we move into the busy Christmas season and the end of the first semester, I want our students and staff to make sure they take time with their own families and friends. While their dedication and diligence to their school work is important, building and supporting our personal relationships also needs to be a priority. All kids need to know they have love and support at home, which will also help them learn even better at school. Let us work together to help our students be successful, both academically and personally!

May you all have a wonderful Christmas season! God’s blessings to you all.
Ruth Kowalski, Principal Bruning Building

FROM THE PRINCIPAL: Welcome to the crazy, busy holiday season! Junior High sports are back in action with both the girls and boys playing basketball. Please remind your students that there’s a reason the word student comes before athlete in the term “student-athlete.”

The Elementary and JH Quiz Bowl teams were also in action within the past month. For some it was their first experience and for others they are seasoned veterans. The JH “A” Team had a good run at the Quiz Bowl contest in Seward. It will be fun to see how much these teams improve throughout the season.

The JH Band sounded amazing playing the National Anthem at the Veteran’s Day program and all the 8th graders did great with their parts of the program as well.

The music program will be coming up on December 10th. Mrs. Ellis and Mr. Stutheit have both been working hard with the students preparing for the concert.

The elementary has been busy with different activities. They really enjoyed trick or treating around the Davenport building and getting to visit a lot of businesses around town. Thanks to all that allowed them to come visit! They’ve also been busy with things for Grandparents Day. We also had a presenter from Thayer County Health Services that came in and talked about Seat Belt Safety. She talked about the importance of buckling up and the requirements for sitting in a booster seat, in the backseat, and in the front seat of the vehicle. So, the next time they are in the car, I hope they remember to Buckle Up.

Just a reminder, as the weather continues to turn to the cooler side, please make sure your students are coming to school with the proper attire to not only be comfortable in the school but outside for recess as well.

Mr. JJ Wagner, Principal Davenport Building

NHS recognizes and encourages high school students for their academic achievement, leadership, character, and service. Congratulations to the newest NHS members who were inducted on November 14th: Kennedy Barney, Esther Cowart, Lauryn Koch, Cynthia Ozenbaugh, and Braelynn Renz.

FFA UPDATE: At the end of October, the BD FFA chapter had eight members attend the FFA National Convention in Indianapolis, Indiana. One of the attendees, Braelynn Renz said her favorite part of the trip was Hummel Farms. She said “It was super interesting to listen to Dale and Holly Hummel explain their operation and the genetics they have developed.” Another one of the attendees, Lexi Enghauser, said Hummel Farms was also her favorite part because she was able to feed a kangaroo from her hand.

Our chapter also attended the district livestock judging competition in York. In this contest, we had twenty members compete. Our members judged hogs, cattle, sheep, and goats during the competition. Braelynn Renz placed 17th in the senior division and Colt Crockett placed 19th in the junior division.

The chapter has been working hard fabricating and practicing our Leadership Development Events (LDEs) and are gearing up for the district competition on December 11th. Our members will be delivering their LDEs on December 5th at our first annual LDE showcase night. Parents and community members are invited to attend this night! **-BD FFA President Eli Weber and Sentinel Kesston Dickson**

STORMIN' Good Cheesy Potatoes: The BDHS Entrepreneurship Class has hit a home run with their secret potato recipe. One day in class, two of the students were raving about Amanda's potatoes in the lunchroom. After spending time brainstorming what the class could create and build a business around, Amanda's Stormin' Good Cheesy Potatoes, was born.

Students began forming a plan, convinced Amanda Barney to share her recipe- which they have agreed to pay her a "per-pan" royalty, test the recipe for shelf life and production timing. If you attended the Home for Holiday event and loved the potatoes, now they can be ordered for your next family gathering

Once they had their ideas in place, off to Bruning Bank they went. Borrowing funds for supplies will be the major expense. The class presented their idea to bank officials, having several pre-orders already in place, the bank was impressed the business had already hit the ground running.

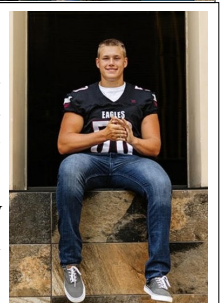

We are taking orders for Thanksgiving and Christmas. All orders will be ready by November 27th @ noon or anytime between now and Dec19th. We will ask for date needed when ordered.

Cost is \$14 and is a 9x13 pan- feeds 12-15 Orders for the potatoes can be placed by: email: Lbalke@bdstorm.org phone: 402-239-7182 call or text

MEET A SENIOR

KESSTON DICKSON is the son of Kevin & Jodi Dickson. His siblings are Kendall, Karson, Kameron, Keenan, Kaden, Kyler, Morgan and Malory. Kesston is involved in NHS, FFA, FCCLA, Letter Club, Football, Basketball and track at B-D USD High School. His interests and hobbies are watching Denver Broncos win, lifting weights and swimming. His future plans are to study Exercise Science and become a physical therapist. Kesston's favorite food is Jambalaya, his favorite TV show is The Terminalist, his favorite song is *Heat Above* by Greta Van Fleet and his favorite place to go to be alone is the Shickley weight room. The most influential person in his life has been his Dad. “He has taught me a lot about being a man and a leader” says Kesston.

ELISSA SCHAFFER is the daughter of Greg & Staci Schaffer. Her siblings are Audrey, Taylor, Nate, Ethan, Catelin and Gavin. Elissa is involved in One Act, Yearbook and Band at B-D USD. She is also involved in the Youth Group at St. Peter's Lutheran Church. In her spare time Elissa likes to work on wood burning, drawing, baking, shooting and fishing. She is undecided about her future plans. Her favorite food is chocolate chips, her favorite TV show is Modern Family, her favorite song is *Wiser Times* by Black Crows, and her favorite place to go to be alone is out in the middle of no where. The most influential person in her life has been her Grandma Linda. “She is a very hard working and loving person” says Elissa. She would also like people to know that she is really cool!!

NSAA BELIEVERS AND ACHIEVERS : The Nebraska School Activities Association (NSAA) Believers and Achievers program recognizes Nebraska high school students who demonstrate academic excellence, citizenship, and involvement in school and community projects: Congratulations to Bruning-Davenport Students Karolyn Ozenbaugh, Peyton Domeier, and Elijah Weber for being selected as NSAA Achievers and Believers!!

What's Happening @ Your Library: Our students are busily reading in order to vote for our state's literary award winners! They are also earning their way to the Golden Sower breakfast on May 1, when we find out the state's winners in all categories. Some students are reading for the Reading Rally at our ESU in Beatrice.

We're continuing to get new books on the shelves so our readers have something new to read, especially as the weather turns not-so-nice in the upcoming months. A book can be enjoyed again & again, making it the perfect gift to someone on your list this holiday season. Curl up with a good book & have a wonderful holiday season!

MIDDLE SCHOOL: The fifth graders have been studying online safety & appropriate behavior online for the past couple of weeks. The kids have written spam stopping songs, invented safe passwords that should be changed every six month, learned to screenshot when things get mean before telling an adult, to watch online addresses to make sure they begin with "https://", to be careful who they chat with online because you never know who is on the other end of that chat...all kinds of things that all of us should practice, especially during the upcoming holiday season of shopping online. They are tying it all together in cartoons featuring their own super digital citizen superhero with superpowers to help people do the right things. Their artistic superpowers & super thoughts will be exciting to see!

ONE ACT: Congratulations to the BD One-Act team for earning 3rd place at the CRC competition! The technical team also earned 2nd place! The following students received individual acting awards: Karolyn Ozenbaugh, Addison Brase, Maia Oltmans, Lauryn Koch, Grady Holtzen, Lexi Enghauser, and Esther Cowart

HOME FOR THE HOLIDAYS BDHS DINNER: On November 19th, members of the Foods Class at BDHS set their minds to creating a, *Home for the Holiday* meal to remember. Members of the class include: Grady Holtzen, Kennedy Barney, Brodrick Dunn, LeTrell Houser, Cynthia Ozenbaugh and Shawn Sunday.

The students first attempt at preparing quantity foods was well received by those in attendance. The students were surprised at the number of "to-go" orders and hope to offer drive thru service as they plan their next event. They want to thank the community for supporting this event.

The menu included: Ham, BBQ meatballs (you may see those for sale in the near future) Green beans with ham and onion, Amamnda's Stormin' Good Cheesy Potatoes- (see article about potatoes and how to order) , fresh rolls and desserts.

A special thank-you to the Bruning Opera House, Bruning Grocery, Amanda Barney, Maggie Vyhnyalk, Riggins Ozenbaugh, and Addison Brase, for their assistance and the FCCLA for providing additional desserts. M Sweets for providing beautiful cupcakes for the doorprize.

KINDER ACEDEMY: This sweet group of kids from Bruning-Davenport Foods Class has gone above and beyond for the center this year. Not only did they make the sugar cookies for our fundraiser, but they also make 1-2 of our weekly afternoon snacks. Miss Lori Balke is one of the kindest humans and she has been a blessing to the community this year. Thank again guys, we appreciate all your help!!

COUNSELOR'S CORNER: What a fast month November was! After learning ways to Recognize, Report, and Refuse bullying, our focus in Guidance K-8 is on kindness and being kind to others. Since National Kindness Day was on November 13th, all of the students had the opportunity to share kindness messages. Being grateful and kind around the holidays is essential and to remind our students what those skills mean.

The Juniors are down one more test and they have received their results for the PSAT/NMSQT.

Many of the Seniors have applied, visited, and have been accepted by colleges. They have been sent many scholarship opportunities and have been filling those out as well!

BD Life Skills and the Entrepreneurship classes attended the financial cyber security presentation hosted by Bruning Bank. Students said they were most surprised by the fact that most fraud is a result of acquaintance fraud. The information was presented by the Nebraska Attorney General's office.

FCCCLA: On October 30, members of the Bruning Davenport FCCLA hosted a trunk or treat at the Bruning Opera House. The trunk or treat was originally scheduled to be held outside, but due to weather, the Opera House offered up a warm dry place, to hold the event.

FCCLA officer and chairperson for this event, Esther Cowart, worked with FCCLA members to organize the event. 120 Children and parents came thru the doors and visited tables from 10 community organizations and enjoyed hotdogs provided by the local fire department.

INVENTURE DAY BD 7th grade students, along with instructors, Miss Balke and Mrs. Voss attended the Southern Plains INVENTURE Day on November 5th at the Nuckolls County Fairgrounds! We are looking forward to an engaging and educational day of entrepreneurial thinking for your students.

As part of the day, students will work in teams with an adult business mentor to move through the process of creating a product and marketing it. This year we would like to try something different and mix the students up in their teams, this will give them the opportunity to work with students from other schools that they wouldn't normally.

At the end of the day, the student groups presented what they had invented and attempted to sway judges to pick their product. Eli and Cagney were both on teams that were selected as "Fan Favorites" by the audience.

The students enjoy the day and the activity actually built on projects being worked on in their science class. We look forward to taking next years group of 7th graders to the event.

MIDDLE SCHOOL: 6th grade study skills class masters the art of giving, receiving, and remembering instructions.

**MERRY CHRISTMAS AND HAPPY NEW YEAR!

OFFICIAL MINUTES OF THE REGULAR UNIFIED SCHOOL BOARD MEETING – The Unified Board of Education met in Davenport on November 11, 2024. Pursuant to laws and notices posted at Bruning-Davenport Schools, Cornerstone Bank, Bruning Bank, Bruning Post Office, Davenport Post Office, and also published in The Hebron Journal-Register on November 6, 2024; all proceedings were taken while the meeting was open to the public.

President Jerry Baysinger called the meeting to order at 7:30 PM. Unified members present were Jamie Koch, Sarah Krehnke, Ryan Miller, Sheri Norder, and Brad Williams. Local board members present were Jeff Hoins, Pat Kowalski, and Ryne Philippi. Superintendent Kelly Lampe, Principal Ruth Kowalski, Principal JJ Wagner, Erika Brinegar, Baxter Beals, Beth Dolnicek, Cammie Freitag, Logan Paup, Lon Schoenholz, Brooke Soukup, Trey Strong, and Leah Werner were also present.

President Baysinger welcomed all guests and recognized the Open Meetings Act.

The Consent Agenda included the agenda, October 14, 2024, Unified Board meeting minutes, Treasurer’s Report, and the November claims. Brad Williams moved, seconded by Jamie Koch to approve the Consent Agenda as presented. (Roll call vote – 6-0)

President Baysinger reported on having follow-up meetings about the Feasibility Study and it is time to start the Superintendent evaluation. He wanted to recognize the passing of James Manes and his service to the school board. He served well.

Principal Wagner reported on the following – Author/Illustrator Bruce Arant visited the school – Various staff attended LETRS and STEPS Training at the ESU – The Elementary and JH Quiz Bowl teams started their season

Principal Kowalski reported on the following – Bri Miller from Centerpointe presented about their services for mental health and substance abuse during Red Ribbon Week – FFA members attended the National Convention in Indianapolis – Congratulations to the Volleyball team for the 3rd place finish at state and a successful season – One-Act will be performing for the school on November 19th and has CRC on November 20th – Grandparents day is November 22 in Davenport – Combined Christmas concert in Davenport on December 10th

Superintendent Lampe reported on the following items: Daycare is in good financial standing – District is looking at adding Long-Term and/or Short-Term disability plans – waiting on a time for the December Board Meeting – Health/Dental insurance is up 5.49% next school year – Upper of 90% of Certified Staff says we should reconfigure our school buildings

Action Items: (All motions require a roll call vote and are carried 6-0 unless noted.)

- A. Ryan Miller moved, seconded by Koch to approve Option C on Policy 3012 – Meal Charges.
- B. Sarah Krehnke moved, seconded by Sheri Norder to approve changes to Policy 5045 – Student Fees, as presented.
- C. Williams moved, seconded by Miller to approve the changes to Policy 5004 – Option Enrollment, as presented.

Williams moved, seconded by Norder to enter executive session “to prevent needless injury to an individual” at 8:01 PM.
Williams moved, seconded by Koch to come out of the executive session at 8:30 PM.

Miller moved, seconded by Koch to adjourn the meeting at 8:30 PM.

Erika Brinegar, Recording Secretary
